Dear MR MHEREMBI

Congratulations from the North-West University on obtaining your qualification.

The Senate resolved, that as was the practice during 2020, all physical graduation ceremonies (undergraduate and postgraduate) that were scheduled to take place during the first part of 2021 have been cancelled owing to the national lockdown regulations in respect of the Covid-19 pandemic. In accordance with the University Rules, the qualifications of those candidates who have met the requirements of Senate will be awarded in absentia.

In order to allow you to still experience this special moment with family and friends, a virtual ceremony will be pre-recorded and made public on **28 May 2021** at **12:00.** This recording will be published on the university's platforms to allow you to view it.

We are doing everything possible to ensure that you receive the certificate of the qualification you have worked hard for over a period of time, and will start with a process to courier your certificate to you after the awarding of the qualifications has taken place. Although the country has moved to lockdown level 1, we still need to ensure that all measures remain in place to ensure the safety of all our stakeholders. Seen against this background, and in line with the university's protocol on managing contact meetings and events and receiving visitors on our campuses during the lockdown period, photo sessions on the campuses with family and friends will also not be allowed.

To ensure that you receive the certificate, we now request that you confirm or update your contact details and courier address as soon as possible (but no later than **20 Mei 2021**) on our DIY portal: http://diyservices.nwu.ac.za/address-details-service

It is also important to mention to you that, in terms of the University's Fees Payable and Financial Regulations, your student account should be fully paid in order to receive your certificate. In the instance that you still owe money, your degree/diploma certificate will have to be kept in safekeeping until you have fulfilled your financial obligations towards the University. If there is any query regarding your student account, please do not hesitate to contact the University's Collection Department at 018 299 2665.

Your are welcome to contact us at 018 299 2623 if you have any enquiries regarding your graduation.

All the best in your career and please stay safe.
